

BIKING

Spring and Autumn 2023

Escape to Dalsland for a weekend. Stay in a stylish granary and explore the area on two wheels.

You spend two nights in a 100-year old grain silo right by The Dalsland canal. Enjoy our home cooked local, seasonal food and relax in the sauna overlooking the lake.

Dalsland is great for cycling with endless winding roads, gravel and tracks to explore on two wheels. We are happy to advice on good routes.

Take your own bike or rent one from us. You can wash your bike here and store it over night.
