

# TRAIN & HIKE IN DALSLAND

**three days two nights**  
**24 June-24 August 2024**

**Explore Dalsland - without a car. The adventure starts and ends at Mellerud's train station - just over one hour from Göteborg.**

Stay two nights in the stylish repurposed 100 year old granary overlooking the Dalsland's Canal. Enjoy home-cooked food using local and seasonal produce, swim and fish from the jetty and relax in our lakeside sauna.

Explore the area on foot, visiting our nextdoor neighbour Dalslands konstmuseum and the impressive aqueduct in Håverud.

On the last day you take the cute and nostalgic motor train back to Mellerud station.

Be free and thread gently on our earth!
